Attn: Examiner Benny T. Lee

Dear Mr. Lee:

Enclosed is a duplicate copy of our response to the Notice of Non-Compliant Amendment which was mailed by the United States Patent and Trademark Office July 1, 2002. As the documents indicate, our response was filed via facsimile on August 1, 2002.

As you can see, in addition to the facsimile transmission report indicating successful transmission of the response, the response also includes a certificate of transmission in accordance with 37 CFR Section 1.8.

We believe this should be sufficient to substantiate our timely filing and correct the record with respect to this application.

Please call me if you have any questions.

Respectfully submitted,

Robert J. Sinnema
